

Fitter’s cart

The fitter’s cart can be used to organize tools and move them to where they are needed. Placed on a rubber mat, tools can be used effortlessly. A versatile cart for which a wide range of accessories is available.

- A sturdy, powder-coated (light grey, RAL 7035) steel frame
- Four different ready-to-use combinations, can be configured as needed
- Additional accessories include a cone holder, a pull-out worktop, and all the accessories of the M30 modules
- Maximum load per shelf 330 lbs
- Maximum load capacity 660 lbs, height 33.7"
- Four swivel castors (⌀ 4"), two with brakes
