

SAP cart

An easily movable additional work surface that can be locked in place. Available in two sizes to meet different additional work surface needs. A bottom shelf and a handle, which makes moving the cart easier, are available as accessories. The height can be adjusted with an Allen key, which means that the cart can be converted as needed. Often used with Treston TP workbenches.

- A standard cart that is easy to move where needed
- Powder-coated (light grey, RAL 7035) steel frame, max load 330 lbs
- Two different sizes, which all come with the top shelf as a standard feature
- A handle, which makes moving the cart easier, and a bottom shelf for extra space are available as accessories
- Height adjustment (25.6"–35.4") with an Allen key
- Four castors that turn (⌀ 4"), two with brakes
- Also available with ESD protection
